**CARTIERE  
CARRARA**

## ABOUT US

**CARTIERE CARRARA**, wholly owned by the Carrara family, is nowadays one of the main manufacturers and converters of tissue paper in Europe.

The integrated process allows Cartiere Carrara to produce, in-house, tissue paper mother reels and converted finished products for both the Professional and Consumer markets, serving more than 40 countries worldwide.

Cartiere Carrara, with an annual production output of 240 thousand tonnes of tissue paper, is currently the sixth leading manufacturer in Europe and the second in Italy, considering that its entire production is domestic.

Cartiere Carrara has the converting capability to process its tissue paper production volume into one of the largest ranges of finished products as toilet paper, hand towels, kitchen rolls, handkerchiefs and napkins.

Cartiere Carrara today counts 500 employees and 9 production sites, all located in Italy.
